

BCD – Lawyer/Expert Insurance Office (m/f/d)

In the Coatings division, we offer far more than just paints and coatings. Our approach is to put the needs of our customers at the centre and always think one step ahead. Our motto 'We always go beyond the surface' makes it clear that we are not only focussed on the products themselves, but also on the reasons why we develop them. We are interested in creating innovative solutions that promote future growth and fulfil the requirements of the market. With our extensive knowledge and experience, we work to provide tailored coatings solutions that create real value and build strong partnerships.

WHAT YOU CAN EXPECT

Due to the strategic realignment of the Coatings business unit, a dedicated Legal, Compliance & Insurance department is being established. This presents an exciting opportunity to develop and shape the Legal, Compliance & Insurance organization from its foundation.

- In your new role, you introduce, develop and implement the global insurance program and strategy for the Coatings division, ensuring alignment with corporate objectives and optimization of insurance structures.
- You advise internal stakeholders on insurance-related matters and provide strategic insurance guidance to senior management and the General Counsel to support decision-making and optimize the company's global insurance coverage.
- Furthermore, you coordinate and maintain relationships with insurers and brokers, and lead the selection of suitable partners.
- You manage policies, certificates of insurance and proofs of coverage, ensuring their availability within relevant business processes.
- Additionally, you support global claims handling and oversee claim settlement processes in coordination with the involved business units.
- Lastly, you also review invoices from insurers and brokers, manage payment processes in collaboration with the responsible departments, monitor regulatory developments and assist in adapting insurance solutions if required.

WHAT WE OFFER

- We offer an attractive salary with individual benefits such as performance-related bonuses or a share program. Company-funded supplementary health insurance, accident insurance and an attractive pension plan offer comprehensive coverage.
- At our location in Münster, we have our own "Freizeit" fitness studio with an attached physiotherapy practice, permanently employed company doctors, a company restaurant "Auszeit" including a café bar, a bilingual company daycare center 'LackiKids' and a vacation program "LackiKids on Tour".
- We have 30 vacation days/year (full-time), additional time off options and a 37.5-hour week.
- We offer a wide range of local and global development and career opportunities for professional and personal development.
