Become a part of our TRATON Trade Finance & Insurance team by joining us **as of the next possible date**.

YOUR ROLE

You will be an integral part of our corporate insurance team, which is a truly diverse and global organisation embedded in the Treasury function. You will manage and optimize our group-wide liability, cyber and financial lines portfolio. Key responsibilities include:

- / Identification, assessment and evaluation of insurable risks
- / Design and further development of the insurance lines in your responsibility
- / Collaborating with internal stakeholders as well as the in-house broker and our external brokers
- / Manage broker relationships, monitor and drive broker performance
- / Prepare and lead negotiations with insurance markets
- / Support the Head of Insurance in projects and tasks related to various corporate insurance lines and insurance risk management topics

YOUR PROFILE

- / Degree in Economics, Law or similar, or successfully completed insurance specific training and certification
- / At least 5 years of professional experience in corporate insurance management, with focus on liability or financial lines
- / Team player with intercultural competencies and experience in an international environment
- / High level of entrepreneurial thinking and acting as well as problem-solving skills

Diversity & Inclusion are very important for us therefore all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation, national origin, genetics, disability, or age.

WHAT TRATON OFFERS YOU

- / Attractive salary package: A very good salary package including company pension
- / Time to reflect and recover: At least 30 days' vacation based on 5 working days and paid days off between Christmas and New Years eve
- / Personal development: Take advantage of the benefits of a yearly personnel development budget and several TRATON Group wide development programs
- / Exciting working environment: Opportunity to actively shape the future of the transportation industry through collaboration in our international TRATON Group environment and interdisciplinary teams
- / Ideal and flexible working conditions: Brand new Headquarter Hybrid M in Munich/Germany and possibility of work remotely or up to 20 days per year abroad within the EU
